MISSION STATEMENT:

The Athletic Booster Club consists of John Hersey High School athletes and their families. Our main goal is to raise funds to supplement the JHHS athletic department budget. Since 1987, the Athletic Boosters have contributed over \$330,000 for equipment to the boys and girls athletic programs. Our goal is to have every student athlete's family become a member. Every dollar you contribute goes directly to supporting the athletic programs of JHHS.

We raise funds, not only through our membership drive, but also through different fund raising efforts during the year. To be able to truly benefit the athletic department, the Athletic Booster Board members need your help. Listed below are some of the areas we could use your help.
